UNDERGRADUATE YEAR IN INDUSTRY RECRUITMENT GRANT

The grant is designed to support member companies to recruit an undergraduate on a year in industry placement.

The Year in Industry (YINI) programme offers students the opportunity to gain professional development by working at a reputable company. They help place students in top UK companies and organisations every year. Typically, the programme lasts for 12 months and is paid.

This grant is match funded to cover the fee of £1995 + VAT.

£997.50 + VAT from the employing company
£997.50 + VAT from PPMA BEST
